1. CSR Policy:

We recognize that as a Corporate Entity, we have to adopt a balanced strategy benefiting the business we are in and the society in which we operate.

We understand our accountability and consequently care in a responsible manner for the social issues which are relevant in the environment and geographical location where we operate

We fully commit to contribute our part for enhancing social, economic, & environmental issues which are relevant at different points of time through the following:

- Effective deployment of the affordable resources we can make available
- Enlisting the support of Strategic partners who are experienced in the class of service we choose to offer
- Use of technology for the efficient use of resources

Through effective communication, we will ensure that all our stake holders support our non-negotiable commitment to society in a manner which is sustainable and scalable commensurate to our business success
